

## XTND HOLIDAY CLUB

Holiday clubs are open to children and young people across the area. The clubs are valued by parents and provide an opportunity for children to make new friends and try new activities they might not otherwise have access to.

If you are looking for a relaxed and inspiring environment where your children can experience new adventures during the school holidays we can offer a wide range of activities such as sports, outdoor and indoor games, arts crafts and drama lead by our fully qualified play team and sports coaches.

## XTND ADULT LEARNING

It's never too late to learn new skills, so whatever your age, whether you want to learn for leisure or for a qualification we can help.

We run many successful groups and courses in areas such as:

Parenting skills  
Arts and crafts

Cookery  
ICT

English  
Maths

We develop our activities based on responses from conversations with pupils, their families and the local community.

We are always open to new ideas... Please do get in touch if you have ideas you wish to share.

## Improving Futures

Supporting families in  
Weston-super-Mare

XTND is a registered charity, supporting the community of South Ward, Weston-super-Mare.

We aim to strengthen families by organising safe and stimulating activities before and after school, giving all members of the local community the opportunity to keep fit and healthy, to acquire new skills, to build on what they learn during the school day, or simply to have fun and relax.
